## Humidity at your service

Humiserv the service division of Humidity Solutions Ltd gained several planned maintenance contracts recently demonstrating the wide range of applications that require good humidity control. Hot yoga studios, a Cuban Night club and gluten free bakers have all taken out a cost effective maintenance contract to ensure peace of mind and the most efficient performance from their humidifiers. Planned scheduled maintenance guarantee's all these users excellent control and the required stable humidity.

Countrywide Studio's where Hot Yoga is practiced require 42C and 40% relative humidity to create the desired environment for a good work out and the Cuban nightclub in central London requires a stable 50% humidity for its walk in humidior to preserve the finest Havana Cigars. The gluten free bread produced in South Wales is held in a proving oven at 95%rh to ensure the perfect loaf prior to baking. All the sites have the Humisteam electrode boiler humidifiers installed.
